# SPOTLIGHT ON: APPRENTICESHIPS: EARN UP TO £4,000 FOR EVERY APPRENTICE YOU HIRE!

**Did you know the Government has recently extended the incentive payment for employers that hire apprentices until January 2022?**

## **How does this scheme work?**

Any employers who hire a new apprentice will receive £3,000 per new hire, regardless of the apprentice's age. This is on top of the £1,000 payment already provided for new apprentices aged 16 to 18 and those under 25 with an Education, Health and Care Plan.

**This means that some employers could receive up to £4,000 in total for hiring an apprentice!**

## **How can I access this scheme?**

To access these Government incentives, your company must be signed up to the Apprenticeship Service, formerly the Digital Apprenticeship Service (DAS). You can find more information about the Apprenticeship Service at:

**[www.gov.uk/guidance/manage-apprenticeship-funds](http://www.gov.uk/guidance/manage-apprenticeship-funds)**

## **Why take on an Apprentice with Alliance Learning?**

Here at Alliance Learning, we offer a FREE recruitment service, where we will match the best candidate to your organisation. We can also up-skill any existing staff, that may want to enhance their CPD and gain further recognised qualifications through undertaking an Apprenticeship.

The training costs for apprentices can either be funded via your levy pot (if applicable) or if you are a non-levy company, the government will cover either 95% or 100% of the costs, depending on the number of employees and the age of the apprentice.

This is a scheme you don't want to miss out on.
